## **Report by Members of the Board**

The directors of LGSS Pty Limited (“the company” or “the Trustee”) submit herewith the annual financial statements of the company for the financial year ended 30 June 2024. The report by members of the board is as follows:

### **Directors**

The following persons held office as directors of LGSS Pty Limited during the year or since the end of the year and up to the date of this report unless otherwise stated:

Ms C Bels	Independent Director
Mr G Brock	Director
Mr D Clausen	Director
Mr N Hagarty	Director (ceased 30 June 2024)
Mr K Loades	Independent Director (Chair)
Ms K McKeown	Director (ceased 30 June 2024)
Mr G McLean	Director
Ms S Orleow	Independent Director
Mr C Peate	Director

### **Principal activities**

The principal activity of the company during the financial year was to act as Trustee of Local Government Super (“Active Super” or “the Fund”). The company’s subsidiary, LIF Pty Limited, acts as Trustee for Local Government Property Fund (“LGPF”).

### **Review of operations**

The profit after income tax expense for the year is \$278,756 (2023 - \$265,397).

### **Dividends**

The Directors have determined not to pay any dividends for the year ended 30 June 2024 (2023 - \$Nil).

### **Changes in the state of affairs**

#### *Federal Court proceedings*

On 10 August 2023, the Australian Securities and Investments Commission (ASIC) commenced proceedings against the Trustee alleging misleading conduct and misrepresentations to the market relating to claims about the Fund’s approach to environmental, social and governance (ESG) investment. On 5 June 2024, the Court handed down on its decision on liability, finding largely in favour of ASIC in relation to certain claims Active Super made about its investment policy and practices regarding environmental, social and governance (ESG) factors. There will be a separate hearing to determine final orders (including any potential penalties), which has not taken place at the date of this report.

## **Report by Members of the Board (continued)**

### *Successor Fund Transfer (“SFT”)*

On 9 June 2022, the Trustee announced that it had signed a Memorandum of Understanding (MOU) with Vision Super to explore a potential merger and will undertake due diligence to determine if a merger is likely to be in the best financial interests of members of both funds.

On 5 June 2023, the Trustee and Vision Super signed a non-binding Heads of Agreement (HOA) to further pursue the merger. The merger will result in the formation of a larger entity with around \$27 billion in funds under management, approximately 170,000 member accounts and a broader geographic presence across NSW and Victoria. Stephen Rowe, the current Chief Executive Officer of Vision Super has been selected to assume the role of the CEO for the fund should the merger be concluded.

On 14 May 2024, the Trustee and Vision Super signed a SFT deed which will see Active Super’s members and investments transferred to Vision Super on 1 March 2025.

### **Future developments**

Following the SFT, which is scheduled for 1 March 2025, the Company will no longer be a superannuation trustee. It is nevertheless envisaged that the Company would continue in existence for a period of 7 years after the SFT, with human and technological resources to be provided by the trustee of Vision Super.

### **Subsequent events**

There has not been any matter or circumstance, that has arisen since the end of the financial year, which has materially affected, or may materially affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

### **Environmental regulations**

The company’s operations are not subject to any particular or material environmental regulation under a law of the Commonwealth or of a State or Territory of Australia.

### **Share issue**

The Board of Directors can confirm that as at the date of this report, no shares or interests in the company were granted in the financial year ended 30 June 2024 (2023 - Nil).

### **Share options**

No options for shares in the company have been granted during the financial year and there were no options outstanding at the end of the financial year.

**Report by Members of the Board (continued)**

**Indemnification of Officers and Auditors**

During the financial year, the company insured the directors of the company, the company secretary and all executive officers of the company against any liability. The contract of insurance prohibits disclosure of the nature of the liability and the amount of the payment.

The company has not otherwise, during or since the financial year, except to the extent permitted by law, indemnified or agreed to indemnify an officer or auditor of the entity or any related body corporate against a liability incurred as such an officer or auditor.

Signed in accordance with a resolution of the directors.

**Director**  
**Sydney**  
**20 September 2024**

**Director**  
**Sydney**  
**20 September 2024**

**Directors' Declaration**

Pursuant to the requirements of the *Government Sector Finance Act 2018*, the directors declare that in their opinion:

- (a) the financial statements present fairly the Company's financial position at 30 June 2024 and the financial performance and cashflows for the year then ended;
- (b) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable; and
- (c) the attached financial statements and notes thereto are in compliance with the *Government Sector Finance Act 2018*, the *Government Sector Finance Regulation 2024* and Australian Accounting Standards and Interpretations.

Signed in accordance with a resolution of the directors.

On behalf of the directors

**LGSS Pty Limited**  
**ACN 078 003 497**

**Notes to the Financial Statements for the Year Ended 30 June 2024**

**I. Reporting Entity**

LGSS Pty Limited (“the company”) is a proprietary company, incorporated, domiciled, and operating in Australia. The company operates as a not-for-profit entity.

The principal activity of the company during the financial year was to act as Trustee of Local Government Super (“Active Super”, “the Fund”). The company’s subsidiary, LIF Pty Limited, acts as Trustee for Local Government Property Fund (“LGPF”).

The registered office and principal place of business is:

Level 12  
28 Margaret Street  
Sydney, NSW 2000  
Telephone (02) 9333 3000

**2. Basis of Preparation**

**(a) Statement of compliance**

The financial statements are general purpose financial statements which have been prepared in accordance with the Australian Accounting Standards (AASB) and Interpretations adopted by the Australian Accounting Standards Board.

The financial statements also conform to the requirements of the *Government Sector Finance Act 2018* and the *Government Sector Finance Regulation 2024*.

The financial statements were authorised for issue by the Directors on 20 September 2024.

**(b) Basis of measurement**

*Going concern*

The Company’s financial statements have been prepared on a going concern basis. In assessing whether the going concern basis is appropriate, the Directors of the Company have considered the impact of the planned successor fund transfer (“SFT”) of member benefits from the Fund to Vision Super (currently scheduled for 1 March 2025) and other future events and conditions for the period of twelve months following the approval of these financial statements.

Following the SFT, the Company will no longer be a superannuation trustee. It is nevertheless envisaged that the Company would continue in existence for a period of 7 years after the SFT, with human and technological resources to be provided by the trustee of Vision Super.

Federal Court proceedings brought by ASIC (NSD847/2023) may result in the Court imposing a civil penalty on the Company. At this stage of the proceedings, there is no basis on which the quantum of any such penalty could be reliably estimated. Resources that may be available to the Company to meet any such penalty include insurance coverage and accumulated capital (within the Capital Indemnity Reserve). The Company will also retain the right to charge a Trustee Fee to the Fund unless and until the SFT is concluded (currently planned for 1 March 2025). There are reasonable grounds to expect that the resources that may be available to the Company to meet any such penalty will be sufficient to do so.

**LGSS Pty Limited**  
**ACN 078 003 497**

**Notes to the Financial Statements for the Year Ended 30 June 2024**

**2. Basis of Preparation (continued)**

The financial statements have been prepared on an accrual basis. Financial statement items are prepared in accordance with the historical cost convention except where specified otherwise.

**(c) Functional and Presentation Currency**

The financial statements are presented in Australian dollars which is the company's functional currency and rounded to the nearest thousand.

**(d) Trustee Obligation**

LGSS Pty Limited was the Trustee of the Fund for the financial year ended 30 June 2024. By law, the Trustee is liable for the obligations of the Fund and has right of indemnity against the assets of the Fund.

LIF Pty Limited, a wholly owned subsidiary of LGSS Pty Limited, was the Trustee of LGPF for the financial year ended 30 June 2024. By law, the Trustee is liable for the obligations of LGPF and has right of indemnity against the assets of LGPF.

These financial statements do not recognise these liabilities except to the extent that the Trustee has committed a breach of fiduciary duty or to the extent that the Fund and LGPF have insufficient assets to settle their obligations nor do they reflect any cash flow attributable to the activities of the company undertaken on behalf of the Fund and LGPF.

**(e) Critical accounting judgements and key sources of estimation uncertainty**

In the application of the company's accounting policies, which are described in note 3, management is required to make judgements, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making judgements. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

**Deferred tax assets**

Deferred tax assets ("DTA") are recognised for deductible temporary differences when management considers that it is probable that future tax profits will be available to utilise those temporary differences. Judgement has been required in relation to the DTA recognised in connection to employee benefits provisions, the main component of the DTA. The future profitability of the Company has been considered in recognising the DTA balance, including impacts of the planned merger with Vision Super.

**LGSS Pty Limited**  
**ACN 078 003 497**

**Notes to the Financial Statements for the Year Ended 30 June 2024**

**3. Summary of material accounting policies**

The following material accounting policies have been adopted in the preparation and presentation of the financial statements for the years ended 30 June 2024 and 30 June 2023.

**(a) Basis of consolidation**

Although the company has a controlling interest in LIF Pty Limited, consolidated accounts have not been prepared because LIF Pty Limited has negligible assets and liabilities, and these are not considered to be material to the company.

**(b) Payables**

Trade and other payables are recognised when the company becomes obliged to make future payments resulting from the purchase of goods and services.

Trade and other payables are initially recognised at fair value and, if applicable, subsequently carried at amortised cost using the effective interest method. Based on historical experience of credit losses, the company assumes future credit risk to be nil.

**(c) Plant and equipment**

Office equipment, computer hardware and office fit-out costs are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. In the event that the settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on office equipment, computer hardware and office fit-out. Depreciation is calculated on a straight-line basis to write off the net cost or other revalued amounts of each asset over its expected useful life to its estimated residual value.

Office fit-out improvements are depreciated over the period of the lease or estimated useful life, whichever is the shorter, using the straight-line method. The estimated useful lives, residual values and depreciation methods are reviewed at the end of each annual reporting period.

**(d) Employee benefits**

Provision is made for benefits accruing to employees in relation to annual leave, long service leave and other employee benefits. Provisions made in respect of annual leave, long service leave and other employee benefits expected to be settled within 12 months are measured at their nominal value using the remuneration rate expected to apply at the time of settlement.

Provisions made in respect of long service leave which are not expected to be settled within 12 months, are measured as the present value of the estimated future cash outflows to be made by the company in respect of services provided by employees up to reporting date. Annual leave not expected to be settled within twelve months is measured at the rate expected to be applicable at the time of settlement and is measured as the present value of the estimated future cash outflows to be made.

**Notes to the Financial Statements for the Year Ended 30 June 2024**

**3. Summary of material accounting policies (continued)**

**(e) Provisions**

Provisions are recognised when the company has a present obligation as a result of a past event, the future sacrifice of economic benefits is probable, and the amount of the provision can be measured reliably.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, the carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that recovery will be received and the amount of the receivable can be measured reliably.

**(f) Goods and services tax**

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except:

- Where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO), it is recognised as part of the cost of acquisition of an asset or as part of an item of expense, or
- For receivables and payables which are recognised inclusive of GST, if applicable.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables.

Cash flows are included in the Statement of Cash Flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the ATO is classified as operating cash flows.

**(g) Income tax**

**Current tax**

Current tax is calculated by reference to the amount of income taxes payable or recoverable in respect of the taxable profit or loss for the period. It is calculated using tax rates and tax laws that have been enacted. Current tax for current and prior periods is recognised as a liability or asset to the extent that it is unpaid or refundable.

**LGSS Pty Limited**  
**ACN 078 003 497**

**Notes to the Financial Statements for the Year Ended 30 June 2024**

**3. Summary of material accounting policies (continued)**

**(g) Income tax (continued)**

**Deferred tax**

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax base of those items.

In principle, deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that sufficient taxable amounts will be available against which deductible temporary differences or unused tax losses and tax offsets can be utilised.

**Current and deferred tax for the period**

Current and deferred tax is recognised as an expense or income in the Statement of Comprehensive Income, except when it relates to items credited or debited directly to equity, in which case the deferred tax is also recognised directly in equity, or where it arises from the initial accounting for a business combination, in which case it is taken into account in the determination of goodwill or excess.

**Tax Losses**

The company has Nil (2023 - Nil) estimated un-recouped tax losses available to offset against future years' taxable income.

**(h) Right-of-use assets and lease liabilities**

At commencement date, the right-of-use assets were measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the company, and any lease payments made in, at or before the lease commencement date (net of any incentives received).

Lease payments included in the measurement of the lease liability were predominantly made up of fixed payments. Variable lease payments were considered immaterial and were expensed as they were incurred.

If the lease liability is remeasured, a corresponding adjustment would be reflected in the right-of-use asset.

Depreciation of right-of-use assets is recorded on a straight-line basis from 1 July 2019 or the lease commencement date to the end of the lease term. In future periods, the company will assess the right-of-use asset for impairment when such indicators exist.

At the commencement date, the lease liability is measured at the present value of the lease payments unpaid at that date, discounted using the company's incremental borrowing rate. The borrowing rate applied for office premises and office equipment leases is based on the applicable incremental borrowing rates for AASB 16. For motor vehicle leases, a weighted average rate has been applied. Discount rates are determined based on the term of the leases.

**LGSS Pty Limited**  
**ACN 078 003 497**

**Notes to the Financial Statements for the Year Ended 30 June 2024**

**3. Summary of material accounting policies (continued)**

**(h) Right-of-use assets and lease liabilities (continued)**

Subsequent to initial measurement, the liability is reduced for payments made and increased for interest. In future periods, the liability would be remeasured to reflect any reassessment or modification, or if there are changes in fixed payments. If the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero.

The right-of-use assets and lease liabilities have been disclosed separately in the Statement of Financial Position. Depreciation of the right-of-use asset has been disclosed in a separate line item in the Statement of Comprehensive Income. Interest expense on lease liabilities is classified as finance costs in the Statement of Comprehensive Income and recognised under operating activities in the Statement of Cash Flows. Cash payments for the principal portion of the lease liability are recognised under financing activities in the Statement of Cash Flows.

The company has elected to apply exemptions relating to short-term leases and leases of low-value assets using the practical expedients. Lease payments on short-term and leases of low-value assets are recognised as an expense on a straight-line basis over the lease term.

**(i) Receivables**

Trade and other receivables are initially recognised at fair value and, if applicable, subsequently carried at amortised cost using the effective interest method. The company currently has no doubtful debts and based on a favourable historical experience of credit losses, the company believes exposure to future expected credit losses is nil.

**(j) Revenue recognition**

Revenue is recognised based on satisfaction of specific performance obligations and measurement is based on contract prices relevant to the individual revenue stream which is demonstrated below.

**Rendering of services**

During the financial year ended 30 June 2024, LGSS Pty Limited invoiced the Fund based on the company satisfying the performance obligation of managing the Fund which is performed over time. The invoices were based on actual Funds Under Management (FUM) multiplied by relevant scheme fee rates. An annual review of Administration Fee Income was conducted for financial year ended 30 June 2024 whereby any excess or deficit funding was recorded as an adjustment back to the Fund.

As at 30 June 2024, the amount of management fees invoiced in excess of actual expenditure is recorded as a liability back to the Fund. The Trustee may retain the surplus funds for a period greater than 12 months to the extent that it has determined that these funds are required to maintain liquidity or meet future costs. Any remaining amounts must ultimately be repaid to the Fund or its successor fund (if applicable).

**LGSS Pty Limited**  
**ACN 078 003 497**

**Notes to the Financial Statements for the Year Ended 30 June 2024**

**3. Summary of material accounting policies (continued)**

**(j) Revenue recognition (continued)**

**Management Fees**

The company also recognises revenue from Management Fees payable under specific Management Services Agreements in place with the Fund and LIF Pty Limited. Management Fees are recognised when the performance obligation of managing the Fund and LGPF is satisfied.

**Financial Planning Services**

The company recognises revenue from providing financial advice to external counterparties. Revenue is recognised to the extent that the financial advice service has been performed in full at a point in time.

**Trustee Fee**

Revenue from trustee services is charged for the provision of trustee services and recognised when performance obligation is satisfied.

**Interest revenue**

Interest income on financial assets is calculated by applying the effective interest rate to the gross carrying amount of financial assets.

**(k) Cash and cash equivalents**

Cash and cash equivalents include deposits held at call with a bank. Under AASB 9 Financial Instruments, classification and measurement is recorded at an amortised cost basis. Given the 'AA-' rating of the company's banking facilities, the company assumes the credit risk to be nil.

**(l) Adoption of new and revised Accounting Standards**

In the current annual reporting period, the company has adopted the following new or revised Standards and Interpretations issued by the Australian Accounting Standards Board ("the AASB"). The following amended standards and interpretations had no impact on the Company's financial statements:

*AASB 2021-5 Amendments to Australian Accounting Standards: Deferred Tax related to Assets and Liabilities arising from a single transaction*

The amendments are effective for the year ending 30 June 2024. The amendments clarify that the exemption does not apply to transactions for which entities recognise both an asset and a liability and that give rise to equal taxable and deductible temporary differences.

**Notes to the Financial Statements for the Year Ended 30 June 2024**

**3. Summary of material accounting policies (continued)**

AASB 2021-2 Amendments to AASB 108 – Definition of Accounting Estimates

The amendments are effective for the year ending 30 June 2024. The amendments to AASB 108 clarify the definition of an accounting estimate, making it easier to differentiate it from an accounting policy. The distinction is necessary as their treatment and disclosure requirements are different.

AASB 2021-2 Amendments to AASB 7, AASB 101, AASB 134 and AASB Practice Statement 2 Making Materiality Judgements – Disclosure of Accounting Policies

The amendments are effective for the year ending 30 June 2024. The amendments require disclosure of material accounting policies information, instead of significant accounting policies.

AASB 2020-6 Amendments to AASs – Non-current Liabilities with Covenants

The amendments are effective for the year ending 30 June 2024. The amendments clarify that only covenants with which an entity must comply on or before the reporting date will affect a liability's classification as current or non-current.

**(m) Standards and Interpretations issued but not yet effective**

The following amended standards and interpretations are not expected to have a material impact on the Company's financial statements:

AASB 2020-1 Amendments to Australian Accounting Standards: Classification of Liabilities as Current or Non-Current

The amendments are effective for the year ending 30 June 2025. A liability is classified as current if the entity has no right at the end of reporting period to defer settlement for at least 12 months after the reporting period.

**LGSS Pty Limited**

**(b) Capital indemnity reserve**

In response to the changes to section 56 of the *Superannuation Industry (Supervision) Act 1993 (SIS Act)*, in January 2022, a trustee fee was established to build up funds for a capital indemnity reserve. The purpose of the capital indemnity reserve is to pay any future commonwealth penalties, infringement notices or liabilities incurred by the company.

The trustee fee is charged to the Fund on a monthly instalment and in such manner as determined by the company from time to time.

**15. Right-of-use assets and lease liabilities**

The company leases office premises in Sydney, Newcastle and Wollongong. The Sydney office lease is the most material lease, accounting for \$5,687,253 (97%) of the total right-of-use assets balance at 30 June 2024 and \$1,393,888 (81%) of the total right-of-use assets balance at 30 June 2023.

Office premises leases currently span over either a one, three or five year period, with the Sydney office having a lease period of five years. Office equipment leases are based on a three year period.

In June 2024, the company signed a new 5-year lease for its Sydney office. In the event of a SFT, the leases obligation will be novated to the new trustee of the merged Fund.

**Notes to the Financial Statements for the Year Ended 30 June 2024**

**16. Business and geographic segments**

The company is a Trustee company and conducts business as a Trustee within Australia.

**17. Subsidiary**

Name of entity	Country of incorporation	Ownership interest	
		2024 %	2023 %
<b>Subsidiary</b> LIF Pty Limited	Australia	100	100

Although the company has a controlling interest in LIF Pty Limited, consolidated accounts have not been prepared because LIF Pty Limited has negligible assets and liabilities and these are not considered to be material to the company.

**18. Related party disclosure**

**(a) Directors of related parties and director-related entity**

LGSS Pty Limited was the Trustee of the Fund for the financial year ended 30 June 2024.

LIF Pty Limited, a subsidiary of LGSS Pty Limited was the Trustee for LGPF for the financial year ended 30 June 2024.

Active Super previously held 100% of the share capital of Local Government Financial Services Pty Limited (LGFS). On 28 June 2024, the application for voluntary deregistration of LGFS was lodged with ASIC.

LGSS Pty Limited provides or provided management and administration services to the following:

- Active Super
- LIF Pty Limited as trustee for Local Government Property Fund

**(b) Key management personnel compensation**

Details of key management personnel compensation are disclosed in note 6 to the financial statements.

**(c) Transactions with key management personnel**

There have been no transactions between the key management personnel and the company except for the payment of key management remuneration as set out in note 6 and for the reimbursement of administration costs incurred by the directors whilst attending to company business.

**LGSS Pty Limited**  
**ACN 078 003 497**

**Notes to the Financial Statements for the Year Ended 30 June 2024**

**18. Related party disclosure (continued)**

**(d) Transactions within the wholly-owned group**

Amounts receivable from entities in the wholly-owned group are disclosed in note 8, and amounts payable to entities in the wholly-owned group are disclosed in note 11 to the financial statements. Transactions within the group were conducted on normal commercial terms and conditions.

**(e) Transactions with related entities**

Amounts receivable from and payable to related parties are disclosed in notes 8 and 11 to the financial statements. Transactions with director related parties were conducted on normal commercial terms and conditions.

During the financial year, LGSS Pty Limited entered into the following transactions with related entities:

- Received \$42,539,017 (2023 - \$39,570,365) from the Fund for the provision of management and trustee services
- Received \$3,995,332 (2023 - \$3,952,945) from the Fund for investment related administration services
- Received \$859,454 (2023 - \$768,978) from the Fund for financial planning services which were deducted from member account balances
- Received \$398,223 (2023 - \$379,138) from the Fund for trustee fee
- Received \$905,318 (2023 - \$768,389) from LIF Pty Limited for the provision of management and trustee services.

**19. Financial instruments**

**(a) Material accounting policies**

Details of the material accounting policies and methods adopted, including the criteria for recognition, the basis of measurement and the basis on which revenues and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in notes 2 and 3 to the financial statements.

**LGSS Pty Limited**  
**ACN 078 003 497**

**Notes to the Financial Statements for the Year Ended 30 June 2024**

**19. Financial instruments (continued)**

**(b) Categories of financial instruments**

	Note	2024 \$'000	2023 \$'000
<b>Financial assets</b>			
Cash and cash equivalents	14(a)	5,119	3,363
Receivables <sup>1</sup>	8	3,839	4,305
<b>Financial liabilities</b>			
Accruals <sup>2</sup>	11	2,292	2,182

1. Excludes statutory receivables and prepayments

2. Excludes statutory payables and unearned revenue

**(c) Financial risk management objectives**

The company seeks to minimise the effects of financial risks through prudent investment and cash flow management. These financial risks include market risk (including fair value interest rate risk), credit risk, and liquidity risk. The company does not enter into or trade financial instruments (including derivative financial instruments) for speculative purposes.

**(d) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: foreign exchange (currency risk), market interest rates (interest rate risk) and market prices (price risk). The risk is managed by ensuring that all activities are transacted in accordance with mandates, the overall investment strategy and within approved limits.

The company invests its cash and cash equivalents in bank accounts held with the Commonwealth Bank of Australia. It similarly has interest rate exposure with regard to interest earned on these bank accounts.

The sensitivity analyses below have been determined based on the exposure to interest rate risk and is done on a pre-tax basis. The analyses are done utilising a volatility factor of 25 basis points (2023 - 25 basis points). This factor has been determined with respect to current market conditions. At reporting date, if there had been a 25 basis points (2023 - 25 points) increase/decrease in interest rates in the year and all other variables were held constant:

- Net income would increase/decrease by \$9,340 (2023 - \$8,547)

There has been no change to the company's exposure to market risks or the manner in which it manages and measures the risk. The company had no other exposure to other price risks or foreign currency risk at the reporting date (2023 - Nil).

**LGSS Pty Limited**  
**ACN 078 003 497**

**Notes to the Financial Statements for the Year Ended 30 June 2024**

**19. Financial instruments (continued)**

**(e) Credit risk management**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. The company has adopted the policy of only dealing with creditworthy counterparties. Furthermore, the company conducts regular ageing assessments of receivables to assist with credit risk management.

At the reporting date the company had material credit exposure to the Commonwealth Bank of Australia. Commonwealth Bank of Australia held cash and cash equivalents of \$5,119,331 (2023 - \$3,362,512).

Commonwealth Bank of Australia is rated 'AA-' by Standard and Poor's rating agency. There is no other material credit exposure to any single counterparty or group of counterparties having similar characteristics. The carrying amount of financial assets recorded in the financial statements represents the company's maximum exposure to credit risk.

**(f) Liquidity risk management and cash flow risk management**

Liquidity risk is the risk that the company will experience difficulty in either realising assets or otherwise raising sufficient funds to satisfy financial commitments. Cash flow risk is the risk that the future cash flows from holding financial instruments will fluctuate. The company's risk management is designed to minimise liquidity and cash flow risk through ensuring that there is no material exposure to illiquid or thinly traded financial instruments. The following tables detail the expected maturity for non-derivative financial assets:

	<b>Weighted average interest rate %</b>	<b>Less than 1 month \$'000</b>	<b>1 to 3 months \$'000</b>	<b>3 months to 1 year \$'000</b>	<b>1 to 5 years \$'000</b>	<b>Total \$'000</b>

**20. Trust liabilities and right of indemnity**

During the financial year ended 30 June 2024, LGSS Pty Limited was the Trustee of the Fund.

Liabilities of the Fund are not recorded in the financial statements of the company. At the reporting date the assets of the Fund are sufficient to discharge all of the liabilities incurred by the company in its capacity as Trustee for the Fund.

Under the Trust Deed of the Fund, the Trustee and each director of the Trustee shall be indemnified by the Fund in respect of any liability incurred while acting as the Trustee or as a director of the Trustee (as applicable). The Trustee shall not be liable to the Fund nor any person whatsoever to an extent greater than the assets of the Fund.

The indemnity will not apply where the liability cannot be indemnified consistently with section 56 or section 57 (as applicable) of the *Superannuation Industry (Supervision) Act 1993*.

**LGSS Pty Limited**  
**ACN 078 003 497**

**Notes to the Financial Statements for the Year Ended 30 June 2024**

**21. Other information**

*Successor Fund Transfer (“SFT”)*

On 9 June 2022, the Trustee announced that it had signed a Memorandum of Understanding (MOU) with Vision Super to explore a potential merger and will undertake due diligence to determine if a merger is likely to be in the best financial interests of members of both funds.

On 5 June 2023, the Trustee and Vision Super signed a non-binding Heads of Agreement (HOA) to further pursue the merger. The merger will result in the formation of a larger entity with around \$27 billion in funds under management, approximately 170,000 member accounts and a broader geographic presence across NSW and Victoria. Stephen Rowe, the current Chief Executive Officer of Vision Super has been selected to assume the role of the CEO for the fund should the merger be concluded.

On 14 May 2024, the Trustee and Vision Super signed an SFT deed which will see Active Super’s members and investments transferred to Vision Super on 1 March 2025.

**22. Subsequent events**

No material events have occurred since balance date which would require disclosure in the financial statements of the company as at 30 June 2024.

**23. Contingent liabilities and contingent assets**

Federal Court proceedings brought by ASIC (NSD847/2023) may result in the Court imposing a civil penalty on the Company. At this stage of the proceedings, there is no basis on which the quantum of any contingent liability could be reliably estimated.

Resources that may be available to the Company to meet any such liability include insurance coverage and accumulated capital (within the Capital Indemnity Reserve). The Company will also retain the right to charge a Trustee Fee to the Fund unless and until the SFT is concluded (currently planned for 1 March 2025). There are reasonable grounds to expect that the resources that may be available to the Company to meet any such penalty will be sufficient to do so.

The company is not aware of any other contingent liabilities or contingent assets for the financial year ended 30 June 2024 (30 June 2023 - Nil).

## INDEPENDENT AUDITOR'S REPORT

### LGSS Pty Limited

To the Treasurer and Directors of LGSS Pty Limited

### Opinion

I have audited the accompanying financial statements of LGSS Pty Limited (the Company), which comprise the Directors' Declaration, the Statement of Comprehensive Income for the year ended 30 June 2024, the Statement of Financial Position as at 30 June 2024, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a Summary of Material Accounting Policies and other explanatory information.

In my opinion, the financial statements:

- have been prepared in accordance with Australian Accounting Standards and the applicable financial reporting requirements of the *Government Sector Finance Act 2018* (GSF Act) and the *Government Sector Finance Regulation 2024* (GSF Regulation)
- presents fairly the Company's financial position, financial performance and cash flows.

My opinion should be read in conjunction with the rest of this report.

### Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under the standards are described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of my report.

I am independent of the Company in accordance with the requirements of the:

- Australian Auditing Standards
- Accounting Professional and Ethical Standards Board's APES 110 'Code of Ethics for Professional Accountants (including Independence Standards)' (APES 110).

Parliament promotes independence by ensuring the Auditor-General and the Audit Office of New South Wales are not compromised in their roles by:

- providing that only Parliament, and not the executive government, can remove an Auditor-General
- mandating the Auditor-General as auditor of public sector agencies
- precluding the Auditor-General from providing non-audit services.

I have fulfilled my other ethical responsibilities in accordance with APES 110.

I believe the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

## **Other Information**

The Company's annual report for the year ended 30 June 2024 includes other information in addition to the financial statements and my Independent Auditor's Report thereon. The Directors of the Company are responsible for the other information. At the date of this Independent Auditor's Report, the other information I have received comprise the Report by Members of the Board.

My opinion on the financial statements does not cover the other information. Accordingly, I do not express any form of assurance conclusion on the other information.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or my knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude there is a material misstatement of the other information, I must report that fact.

I have nothing to report in this regard.

## **The Directors' Responsibilities for the Financial Statements**

The Directors are responsible for the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards, the GSF Act and GSF Regulation. The Directors' responsibility also includes such internal control as the Directors determine is necessary to enable the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to:

- obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error
- issue an Independent Auditor's Report including my opinion.

Reasonable assurance is a high level of assurance, but does not guarantee an audit conducted in accordance with Australian Auditing Standards will always detect material misstatements. Misstatements can arise from fraud or error. Misstatements are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions users take based on the financial statements.

A description of my responsibilities for the audit of the financial statements is located at the Auditing and Assurance Standards Board website at: [www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf). The description forms part of my auditor's report.

The scope of my audit does not include, nor provide assurance:

- that the Company carried out its activities effectively, efficiently and economically
- about the security and controls over the electronic publication of the audited financial statements on any website where they may be presented
- about any other information which may have been hyperlinked to/from the financial statements.

A handwritten signature in black ink, appearing to read 'Somaiya', with a stylized flourish at the end.
